Creative Creations

All ages. Together we will take care of the school garden and harvest food for the school's lunch program. As it gets cooler, we will move indoors for crafts and cooking, and when the weather allows we will spend time on the beach and in the forest.

Role Playing Games

Grades 5-7. Dungeons and Dragons, and the many other role playing games it has inspired, is a group story-telling activity where players come together to create fantastical characters and stories. Combining improv, imagination, and team-building with simple arithmetic, role-playing games help develop problem-solving and interpersonal skills in a safe, structured, and fun environment. Please note that this after-school program is two hours long.

Facilitator: Sam Boorthwick and Sadie Gibs

Date: Thursdays, April 15-December 8

Time: 2:30-4:30pm

All our after-school programs take place at Denman Island Community School.
